To the Pomona College Community,

The Student Life, Pomona College's student newspaper, provides a subscription program for parents and alumni. Those subscribing to *TSL* will be able to keep informed about on-campus news and events and view student work. In addition, your subscription will help to promote our goal of creating opportunities for student journalism at Pomona College and within the larger Claremont community.

TSL is a weekly publication that comes out on Fridays across the Claremont Colleges and is produced entirely by students. Subscribers will be sent newspapers on Friday mornings by first class mail to ensure quick and safe delivery. We offer a one semester and full-year option with ten issues in both the Fall and the Spring—a total of twenty for the year. The subscription cost will be \$35 for a semester and \$60 for a full-year.

We look forward to providing you with news on interesting current events and opinions from our campus!

Sincerely,
TSL Staff
